Mail Stop Patent Application  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, references of possible interest which have come to applicants' attention are listed in the attached modified PTO Form 1449.

Copies of the listed references are enclosed.

Pursuant to Rule 1.97(b)(3), the documents cited herein are being submitted well before the mailing date of the first Office Action on the merits (actually with the original application papers).

The citation of these references is not to be considered a representation that they constitute a complete or exhaustive listing of the relevant prior art, are considered most pertinent, or that a search has been undertaken, or that any of the cited documents are indeed prior art. The references are identified and discussed in good faith, but they are not intended to be a substitute for the Examiner's own further search and evaluation. However, it is hoped that in addition to apprising the Examiner of the existence of these references, they will be of assistance to him in identifying fields for search and in making as full and complete a search as possible.

Statements appearing above with respect to the enclosed references represent the present opinions of applicants' undersigned attorney, and if the Examiner should disagree with any such opinions, it is requested that he specifically indicate those portions of the respective patents that he believes provide a basis for such a contrary view.

Should any fee be due, contrary to our understanding, then please charge (or credit) our Deposit Account No. 03-3425 for any insufficiency or omission (or overpayment) regarding fees due in connection with any of the foregoing.

Respectfully submitted,

**FROMMER LAWRENCE & HAUG LLP**
